

# Stamp Out Despair Campaign *Appeal*

## **First Friends Needs Your Support!**

Almost within sight of the Statue of Liberty, there are over 2000 immigrants languishing in “detention” and in our county jails. They are isolated and confined for indeterminate periods of time with severely restricted access to the outside world.

The detainees have limited to **no contact with family and friends**. For many of these detainees even this simple pleasure is denied, since they do not have money to purchase stationery, stamped envelopes or phone cards.

### ***Help us to stamp out their despair!***

Send us a donation to help meet our goal of gifting **each detainee** with a supply of ***stamped envelopes, greeting cards, writing paper and fund\$ for phone cards***

#### **Please Send:**

- Monetary donations or US postal money order of \$28.75 towards phone service for detainees so they can call their families
- Blank 2 pocket folders
- First class ‘Forever’ stamps, international postage stamps
- Writing paper and colored paper

Please send your donations to First Friends **before November 30<sup>th</sup> 2014**

We will assemble the gift packages on December 14<sup>th</sup> and deliver them to the detainees.
